Pride Week | April 8-12, 2024

Pride Week at ASU celebrates LGBTQIA+ identities and educates the ASU community on the 2SLGBTQIA+ experience. Through diverse programming, the week advocates for social justice concerns while connecting students, faculty, and staff to each other and the broader ASU community. Come celebrate the beauty and breadth of 2SLGBTQIA+ culture through performances, activities, socials, and community-building. Everyone is welcome and we hope you will join us in showing ASU that you #ThriveAsUAre!
